Our stunning model home is now for sale! Located in Northwest San Antonio, this home offers a prime location near Loop 1604 with the natural beauty of Government Canyon as its backdrop. This home is conveniently located near the community pool and playground, within walking distance to the on-site elementary and middle school, and featuring no back neighbors for added privacy. Spend the summers in the pool and cabana, or go for a hike or bike ride on the 40 miles of trails next to the community. With curved, cul-de-sac streets and treed landscaping, Davis Ranch shows off the best of the Texas Hill Country.

*Price and availability for the sale of any model home is subject to change without notice. All representations regarding square footage of a model home are approximate. Home is sold without the staged furniture currently in the residence, and all photography regarding the furniture or furnishings is only representative. Model home must close by June 30, 2026. The Builder's Limited Warranty for a model home begins to run on the date that the home is enrolled with the warranty administrator, so certain aspects of the Limited Warranty will be expired or reduced at the time of purchase.
