Redford - C Plan | 2 Story | 3,100 SF | 4 Beds | 4 Baths | 2 Car Garage

Our stunning model home is now for sale! It features designer upgrades throughout, including an upgraded kitchen with glass-front cabinets and puck lighting. The home features a spacious loft and a dedicated entertainment room, making it ideal for both relaxing and entertaining. Located in the VIDA community, residents enjoy access to parks, playgrounds, a community pool, and a clubhouse. This 600-acre master-planned community is conveniently located off Loop 410 and S. Zarzamora, adjacent to Texas A&M University–San Antonio, and will feature future restaurants, retail, and a planned University Health System campus.

\*Price and availability for the sale of any model home is subject to change without notice. All representations regarding square footage of a model home are approximate. Home is sold without the staged furniture currently in the residence, and all photography regarding the furniture or furnishings is only representative. Model home must close by June 30, 2026. The Builder's Limited Warranty for a model home begins to run on the date that the home is enrolled with the warranty administrator, so certain aspects of the Limited Warranty will be expired or reduced at the time of purchase.
