# Home Tour & Nature Stroll

Saturday, April 5th and 12th | Noon - 4pm

## Spend a splendid spring Saturday at Painted Tree

You're invited to Painted Tree for two splendid afternoons of scenic home tours and nature strolls, plus the opening of our newest community hub, The Outpost.

**April 5** – The fun kicks off with tours of 21 model homes from 10 homebuilders, live music, local bites, and the grand opening of The Outpost—featuring a covered porch, concert venue, lookout tower, and playgrounds.

**April 12** – Another chance to tour the homes, explore our trailside community, and enjoy the great outdoors.

Lace up your walking shoes—we'll see you there!
