# Complimentary CE Class & Luncheon

Selling In A New  
Development #51618

**Kathryn C. Wheat School of Real Estate #9977**

This 2-hour elective is taught by John Barba. In this class you will learn the difference between a builder and developer. You'll learn what you need to know about New Construction and the questions you should be asking. We'll go into how to talk about HOA's, MUD's, PID's and Homestead exemptions so you can better educate your clients. This class will give you the confidence needed to approach selling in New Developments!

**Wednesday, June 25th**
