The Builder-Agent Partnership: A Framework for Success #39643-RECE

AT THIS SESSION, YOU'LL DISCOVER:

- ✓ How to confidently and knowledgeably sell in the new construction market.
- ✓ The advantages of working with sales professionals in new construction.
- ✓ How to prepare clients for touring new communities, your role, and how to explain your value.
- ✓ The concerns Realtors may have with new construction.
- ✓ The major points of the construction process, and where you can help your clients.

This is a 2-Hour credit instructed by Kathryn Wheat from Kathryn C. Wheat School of Real Estate #9977-CEP.
