

LIFE. BUILT. BETTER.®

21st ANNUAL AVID AWARDS® **BENCHMARK AWARD**

OF ALL THE THINGS WE'VE BUILT,
WE'RE PROUDEST OF OUR RELATIONSHIPS.

Our mission has always been to build better, smarter and more efficient homes for our buyers. But as we do, we build something even more meaningful — relationships. And those, above all, mean everything to us. It's so gratifying to be recognized for the things our homebuyers have said about their Meritage Homes® experience. That's why we're truly honored to be a recipient of the Avid Benchmark Award in the 21st Annual Avid Awards®, which analyzed homebuyer data from January to December 2023.

The Avid Benchmark Award recognizes builders scoring among the top 25% of Avid's nationwide databases on the New Home Move-In Experience survey, taken from the first 90 days of homeownership.

Excellent experience from all employees of Meritage. I am beyond happy with the whole process.
